

IDA HOPE - New Membership

30-05-2020

Dear IDA Member

We welcome you to join IDA HOPE and enjoy the benefits of this unique scheme.

HOPE is a unique scheme for the members of IDA Kerala state with Professional Protection and Legal support, Social Security and Permanent disability cover, HOPE Medi, HOPE Assure etc, being the premier scheme amongst all the schemes in any state branch of IDA nationwide. Presently the amount payable to IDA HOPE for all these benefits is negligible when compared to other schemes in India. More over our management team comprises of our own members and is member friendly, well experienced and effective with a proven track record.

Regularly HOPE enrolment start on 1st April, but this year due to the Covid pandemic and the prevailing lockdown situation in our country, HOPE Office and the Management Committee decided it prudent and in better interests of our members to delay it, so as to lend a helping hand in reducing the burden of our members during the complete lockdown stage. In our last Annual General Body Meeting we have adopted a deferred payment scheme for the joining fee which would be, at this time of financial crisis, a boon to IDA members who wish to join HOPE, as the upfront payment amount is reduced.

New members can join at any time of the year.**Please renew your IDA membership before applying for HOPE membership.**

Gold Membership Scheme (Special Category Scheme)

Since its inception joining HOPE is restricted to members upto the age of 50. Some of our senior members are denied the opportunity to avail Professional protection and to join optional HOPE schemes like HOPE MEDI and HOPE ASSURE. There have been suggestions to allow members to join HOPE irrespective of age, which may not be feasible at the present time.. But members of age 51 years and above may be allowed to avail these benefits under a special category, enrollment for which may be for a limited period of time.

IDA members of age 51 years and above may be allowed to join HOPE as special category members under **Gold Membership Scheme** with the following benefits and conditions -

1. **They shall be provided Professional protection cover of HOPE.**
2. **They shall be eligible to join HOPE MEDI & HOPE ASSURE.**
3. **They will not be eligible for Social Security cover or Platinum benefit.**
4. They do not have to pay the Fraternity contribution or Platinum contribution.
5. **The joining fee shall be Rs 50,000 and annual renewal fee shall be Rs 1200.**
6. HOPE MEDI – Co-pay of 30% for all members enrolling in HOPE Medi and Parents are EXCLUDED.

The entry to this scheme shall be limited to a period One year with effect from 1st April 2020.
