## IDA HOPE Membership Renewal 2020-21

30<sup>th</sup> May 2020

Dear HOPE Member,  
Greetings from IDA HOPE office.

Congratulations on being part of the premier welfare scheme of IDA Kerala State - **IDA HOPE**

HOPE is a unique scheme for the members of IDA Kerala state with Professional Protection and Legal support, Social Security and Permanent disability cover, HOPE Medi, HOPE Assure etc, being the premier scheme amongst all the schemes in any state branch of IDA nationwide. Presently the amount payable to IDA HOPE for all these benefits is negligible when compared to other schemes in India. More over our management team comprises of our own members and is member friendly, well experienced and effective with a proven track record.

*Regularly HOPE membership renewals start on 1<sup>st</sup> April, but this year due to the Covid pandemic and the prevailing lockdown situation in our country, HOPE Office and the Management Committee decided it prudent and in better interests of our members to delay the start of HOPE renewals, so as to lend a helping hand in reducing the burden of our members during the complete lockdown stage.*

Even though we have not completely come out of this unprecedented adversity, considering the unique benefits of our scheme for IDA members and wishing that they may enjoy its benefits, this year our aim should be maximum membership growth for HOPE, for which I am requesting and expecting your wholehearted support. It is our collective responsibility to see that all eligible IDA members are also members of IDA HOPE so that we are all mutually benefited. Do encourage your friends to join HOPE. We need to achieve a target of a minimum of 20% membership growth in each branch this year. Let's all work together to take IDA HOPE to further heights.

As you know IDA HOPE is supporting our members and their families in the event of death / total permanent disability through its Social Security scheme.

Four of our members including 1 Platinum member expired in 2019-20.

1. Dr. Babu John - IDA Malanad branch (Rs 12,11,600)
2. Dr. Gigo Eldred - IDA Attingal branch (Rs 12,11,600)
3. Dr. Anup Varghese – IDA Malanad branch (Rs 12,96,400)

**Platinum member** – the remaining amount of Platinum Benefit (Rs 2,40,000) to Dr Korah M.K of IDA Valluvanad Branch was also given.

We have already handed over the amount to the families of all four departed members. The amount due to Dr Jayasree VK's family which was pending from earlier year, due to legal issues was also paid up.

### Legal Cell - Professional Protection

We are efficiently monitoring and managing the legal cases against our members in various levels of courts / forums. We have a good success rate as we are able to manage our cases effectively.

### **HOPE Medi**

Our members and their family members are covered under the **HOPE Medi** - medical insurance scheme which has been tailor-made with features beneficial to our members. We are happy that the scheme is successfully running in its fourth term. **Renewal of HOPE Medi will be open in September this year.**

### **HOPE Assure**

We have been able to successfully renew **HOPE Assure**, which gives our members an additional Professional Indemnity cover of 25 Lakhs with clinic protection and residence protection cover against fire, theft, burglary, riots etc. **Renewal of this scheme will open in June this year.**

### **HOPE membership renewal 2020-21**

This year we are moving to online renewal for HOPE membership. All members need to login on our website [www.idakerala.org.in](http://www.idakerala.org.in) using their Login ID and password and do the payment online by UPI / Debit or Credit Card / Net banking.

Before renewal members have to update their profile data on the website.

Membership of IDA HOPE is co-terminus with the membership of IDA Kerala State through its branches. **HOPE membership renewal can be done only after renewal of branch membership.**

The membership renewal period is for two months - from 1<sup>st</sup> April to 31<sup>st</sup> May. **However in the present circumstances, we are extending it till 31<sup>st</sup> July (without break in PPS or SSS cover)**

After 31<sup>st</sup> July a grace period is permitted for renewal till September 30<sup>th</sup> during which the member will be covered only with Professional Protection Scheme **but will not be a beneficiary of the Social Security Scheme (Death / Permanent disability).** The member may renew his membership during the grace period (1<sup>st</sup> August – 30<sup>th</sup> September) **with a penalty of Rs 500.**

As per constitution, **HOPE membership of those who do not renew by 30<sup>th</sup> September 2019 will be terminated** and if they wish to continue HOPE membership, they will have to apply to rejoin as new member by paying the new admission fee.

#### **Annual membership renewal fee and fraternity contributions**

Annual renewal fee for the members is Rs.1200.

In addition to the annual renewal fee, Rs. 500 is to be paid per death / total permanent disability claim of any member of the scheme in the year. Our fraternity contribution for the year 2019-20 shall be a sum of Rs.1500 (Rs.500 x 3 claims = Rs.1500) to be collected from those who were members in the last financial year and it is added to the renewal fee.

Platinum benefit scheme contribution of Rs 800 is also added with the annual renewal fee for all members except for those who are below the age of 30.

So the renewal fee for different categories is as follows

**Platinum members : Rs 500 only**  
**Founder members : Rs 2500 (1200+500+800)**  
**Members under 30 years : Rs 2700 (1200+1500)**  
**Other members : Rs 3500 (1200+1500+800)**  
**Rs.500 is added for renewals issued from 1<sup>st</sup> August to 30<sup>th</sup> September.**

**Renewal fee is calculated by HOPE office and exact renewal amount for each member is updated on our website.**
